Parking Operations

We implement operating policies and practices specifically designed to achieve the property's parking-related objectives, from revenue maximization to service levels. Our operations work to enhance property values.

Parking Management

Intimately familiar with the priorities of homeowner and tenant associations, we develop customized operating plans that combine courtesy and convenience with efficiency and economy. By adding thoughtful touches such as a decorative planter at a parking entrance, we make our facilities feel like home.

- > Facility design
- > Pro forma development and financial analysis
- > Traffic and revenue controls
- > Car wash services

Valet Parking

Valet attendants serve as ambassadors for a residential building. The personalities, professionalism and pride of hand-picked valet teams reinforce our clients' commitment to customer satisfaction.

- > Prompt vehicle retrieval
- > Damage claim minimization
- > Package and grocery assistance
- > Flat tire / battery assistance

Technology Integration

Advanced systems that can be monitored off-site reduce labor and operating costs. Our flexible monthly billing management system can handle multiple rates and rate changes, reserved spaces and inventory control.

- > License plate inventory systems
- > Bar-code decals
- > Key-card control
- > **Client View**[®] electronic reports

Staffing and Training

For many residents our attendants are the first people to greet them in the morning and the last faces they see at night. Because they serve as property ambassadors, we make sure our employees complete our award-winning customer service training programs.

- > **SP+ University**[™] training
- > Customer service training
- > Professional attire
- > Automated workforce management

We're More Than Parking

SP+ professionals can provide an array of expertise and services to our residential clients.
